Foundations of Scripting Languages Dagstuhl Survey		What would you like to hear about for 5-10 minutes? (use GENERIC topics)		Crazy ideas (research) Scripting languages vs DSLs (analysis)
		3. What would you like to hear about for 30 minutes? (use GENERIC topics) 4. What topics do you think you can speak about for 5-10 minutes?		Approaches to semantics for scripting (semantics) Comparative survey of scripting languages
				(survey) Visual scripting languages (survey)
		5. What topics do you think you can speak about for 30 minutes?		Piccola – reflections on designing a pure scripting language
	,			Identify goals for the week
		6. Do you have suggestions for things we SHOULD do at the workshop (besides keeping time free for people to mingle and to organize spontaneously)?		Have everyone prepare and present 1 slide with a challenge for the week (max 25 words)
				Plan breakout groups to pursue specific topics
				Keep the schedule flexible and dynamic if possible, organize a walk
		7. Do you have suggestions for things we should NOT do at the workshop (besides not cramming it full of talks)?		Don't insist on everyone presenting (beyond intro)
				Don't organize talks in the evening
				Don't plan an expedition to Trier, Luxembourg etc
		8. Any other thoughts/comments/ suggestions?	Plan	a concrete result (LNCS volume?)
